“A Message from the Founder”

It's a new season! Green leaves and warm weather have given way to beautiful, colorful trees and cool breezes. Autumn has always been my favorite time of year. I take time each fall to contemplate the beauty, complexities and everyday miracles that surround us, compliments of our great Creator. In recent months, I've experienced miracles of healing, (total knee replacement both left and right knees) miracles of protection, (from hurricanes, tornadoes, and floods) and miracles of open doors for missions & ministry.

In this newsletter, I share details of some of the amazing things that God is doing and has done through Light Global Missions. As your read; I hope you will see how God's spirit, our efforts and your partnership, prayers and generous giving is working together to create miraculous change in the lives of God's people everywhere.

*Love & Blessings

Strengthening God's Servants

What a joy it was to reunite with Pastors Leo & Cherlyn Perez of the Dominican Republic this past August! As missionary/director of A heart for the Nations and Principal of "Colegio: Un Lugar De Esperanza" (A Place of Hope School), Pastor Cheryl is always looking for ways to be a greater blessing to those the ministry serves. Sometimes, this means pouring into the ministry's leaders and volunteers.

After serving with the Perez's at the Mission school and Church last Fall, Pastor Cheryl reached out to LGM in hopes of receiving additional training for her ministry leaders. Missionary Pat Turner was delighted to offer a Grant writing course via zoom.

More recently, Pat traveled to the "Heart for the Nations" headquarters in Erie Pennsylvania to provide a board development workshop for the ministry. One board member commented afterward that the training was "truly God ordained!" "You have provided us with extra fuel...to help catapult us to the next level of ministry".

you are doing."**

It's Time to Get Onboard!

2nd Chronicles 7:14

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land,

In 2023, Prayer Train Across America (PTAA) began to spread an urgent call for prayer and repentance as the United States finds itself falling further and further away from the God we once served. Now, Prayer Train Across America is on the move!

PTAA leaders are reaching out to Individuals, faith communities and groups across the nation, asking all to make a personal commitment to follow the guidance given in 2nd Chronicles 7:14.

Prayer Train will soon have a digital presence that will allow easy access to those seeking scriptures, prayer guides, devotionals and information for how to get involved. By the year end, church and faith community leaders will be able to use the site to request information packets to share with their congregations.

All leads up to an actual coast to coast train ride across the nation to be held the first week in May, 2025. The trip will provide a time of quiet prayer and intercession on behalf of the whole of America. For additional info, contact pattuner@lightglobalmissions.org.

“I’m On Board!”

Make A Personal Commitment Today

1. I personally commit to humbling myself before God in accordance with 2nd Chronicles 7:14. In pursuit of humility, I will ask God to show me myself, and to show himself to me.
2. I commit to confessing and acknowledging the areas of change that I need to make as God identifies them by his Spirit, through the scriptures or in prayer.
3. I commit to turning away from actions, thoughts and habits that are contrary to God’s character and will. I will seek the help of God’s spirit as I am unable to change myself simply of my own efforts.
4. As I continue in personal humility and prayer, I commit to praying for the whole of the United States of America, asking God to forgive our sins and heal our land.

Want to Volunteer?

Prayer Train Across America is looking for “connectors”; those who will help spread the call for prayer and repentance with others in their respective locales. We’re also seeking “Conductors”; those willing to serve on our advisory board. For more info: Contact patturner@lightglobalmissions.org

Mission Honduras - 2025

Light Global Missions is excited to join with ministry partners at College Park Christian Church in Normal Illinois as they head to Honduras in next year. The mission team of 16 volunteers will serve with Hondurans Felipe and Valerie to carry out medical and optometry clinics; an effort that has been underway since the 90's.

We'll also be partnering with Julia and Oscar Mora; administrators for church and farm projects. Together, we'll support the work of the "Milk Project" and "His Eyes", organizations that provide daily nutrition, Christian education, VBS and other benefits in a safe environment for area children and their families. The Team will be travelling from January 18th -25th. Your prayers are greatly appreciated as we make our preparations.

READY-SET-GIVE!

Light Global Missions is extremely grateful for the many who support this work through their prayers, service and generosity. As the year end approaches, please consider how you might continue and even increase your involvement in the upcoming year. By using the "Ready, Set, Give" action plan below.

Ready- Be Available. Pray and ask God about ways that He might use you to further the work of missions. Journal whatever the Holy Spirit places in your heart. Be willing to receive creative ideas and inspiration that may stretch you.

Set- Check expiration dates on cards you may use for sharing donations. Be sure automatic gifts are still in once the new year starts.

Give- Share your best financial gifts. Give your best in Service. Offer your best in prayer and worship to God! Visit www.lightglobalmissions.org for more info.
